3. Fulfilled compulsory education,
4. For foreign applicants, sufficient proficiency of the German language.

The applicant should be between 16 and 18 years old.

The admission is decided on the basis of entrance examination by the Examination Board. The entrance examination takes place each academic year for the following winter semester. The invitation to the entrance examination is usually send one month before the examination date. It contains information on the candidate's preparation for the entrance examination.

The enrollment examinations for the coming academic year will be on **27th of March 2021** and on **29th of May 2021**.

The entrance examination includes:

1. Participation in classical dance class
2. Participation in a modern dance class,
3. the proof of theoretical knowledge in the fields of dance history, art history, music and literature,
4. Presentation of either an act from the classical/contemporary repertoire, or the participation in an improvisation.

The proof of theoretical knowledge in the areas of dance history, art history, music and literature occurs in the form of a multiple choice tests.

For the study is approved, who fulfills the entry requirements for the entrance examination.

The study covers three years of education and leads to the degree "Bachelor of Arts".

The current amount of the tuition and registration fees is 107,59 €.

Online Application

The link to the application portal is <https://cms.hfs-berlin.de/login/>

Please register with your email address and your personal data. You will then receive an email to activate your access. Then follow the instructions on the portal which will guide you step by step through the system. You can stop editing your application at any time without losing your data.

(Before you start with the online application, you should already have all the relevant certificates and educational qualifications in digital form (pdf, jpg, etc.).)

For the application, an examination fee of 30,00 € will be charged.

After submitting your application, you will receive a payment request with an individualized purpose via mail. As soon as you have pressed the green button to send the application, this can be found in your mailbox in the portal. Please wait with the transfer of the examination fee until you have received this email. When transferring the examination fee, you must specify the purpose of payment! (Payments, which are transferred to the account of the HfS without this purpose, can not be assigned correctly!)
