

*\*The entry requirements for admission to the vocational school are:*

1. Prior professional dance training and a particular physical and artistic aptitude.
2. Vocational training entrance qualification (BBR) or an equivalent (international) school-leaving qualification
3. The language of instruction is German. Pupils of non-German language of origin receive additional instruction in German as a second language (DaZ) if required. German language must be acquired through their own efforts in such a way that successful participation in lessons is possible.

Please send all relevant data (diplomas, health certificates, language certificates) that confirm your admission requirements to :

[e.meyer@sbuas.berlin](mailto:e.meyer@sbuas.berlin)

Please ensure that your application documents include the following:

- CV in tabular form relating to dance development (ballet or dance school, competitions, summer courses, etc.)
- Certificates showing the school education you have completed so far, please send a certified copy or a certified photo.
- Medical certificate of medical fitness for performance training
- For international applicants: proof of German language skills if applicable

Once you have met all the admission requirements, we will ask you to take part in the artistic aptitude test.

*Applications are valid from now until March 30, 2025!*

Anyone who has passed the aptitude test will be admitted to the selection procedure.

You will be informed by e-mail whether you have passed.

\*Our selection procedures for the new year of vocational school, starting in September 2025 for the school year 2025/26, will take place on 12.04.2025 at the Staatliche Ballettschule Berlin, Erich-Weinert-Straße 103.

The exact time will be announced.

The selection process includes:

1. participation in a class in classical dance

2. participation in a modern dance class

3. and optionally a maximum three-minute presentation of a work from the repertoire of classical dance repertoire OR a choreography from the field of modern/contemporary dance.

4. the dance medical examination by our school doctor

The examination board ensures equivalence to the standard procedure.

The aptitude procedure is aimed exclusively at lateral/side entrants who do not start dancing until the 11th school year (possibly later) in our vocational school for stage dance. The selection procedure

students in year 10 must also take part in the selection process if they are transferring to the vocational school for stage dance.
